

**Some Key Toledo Harbor Planning and Environmental Reference Documentation  
(Chronological)**

**(Not All Inclusive)**

*[Abstract Summary in Italic]*

1974. Toledo Harbor, Ohio; Final Environmental Impact Statement; Confined Disposal Facility (Cell 1 - 242 acre site); USACE, Detroit; 1974. [Subsequent Comments/Responses and Record of Decision (ROD)]

*[National Environmental Policy Act (NEPA) FEIS for Construction and Utilization of Facility 3 Cell 1 Confined Disposal Facility (CDF)]*

1976. Toledo Harbor, Ohio; Final Environmental Impact Statement; Operations and Maintenance; USACE, Detroit; 1976. [Subsequent Comments/Responses and Record of Decision (ROD)]

*[NEPA FEIS for Toledo Harbor Operations and Maintenance (O&M)]*

1984. Toledo Harbor, Ohio; Clean Water Act Public Notice and Section 404(b)(1) Evaluation: Operations and Maintenance Dredging and Disposal [Improved Sediment Quality (LM-2) and Increased Open Lake Disposal at Site Southeast of Channel and CDF Cell 1]; USACE, Buffalo; 1984.

*[Clean Water Act Public Notice and Section 404(b)(1) Evaluation for O&M for Improved Sediment Quality (LM-2) and Increased Open Lake Disposal at Site Southeast of Channel and CDF Cell 1]*

1989. Toledo Harbor, Ohio; Finding of No Significant Impact/Environmental Assessment; Operations and Maintenance Dredging and Disposal [LM-2 and New Open Lake Site Northeast of Channel and CDF Cell 1]; USACE, Buffalo; 1989.

*[NEPA EA-FONSI for O & M Dredging and Disposal (LM-2 and New Open Lake Site Northeast of Channel and CDF Cell 1)]*

1990. Toledo Harbor, Ohio; Final Environmental Impact Statement; Confined Disposal Facility (Cell 2 - 155 acre site); USACE, Buffalo; 1990. [Subsequent Comments/Responses and Record of Decision (ROD)]

*[NEPA FEIS for Construction and Utilization of Facility 3 Cell 2 Confined Disposal Facility]*

1990. Toledo Harbor, Ohio; Finding of No Significant Impact/Environmental Assessment; Grassy Island 18 (Resumed Utilization); USACE, Buffalo; 1990.

*[NEPA EA-FONSI for O&M Resumed Utilization of Island 18]*

1993. Toledo Harbor, Ohio; Long-Term Dredged Material Management Plan Within the Context of the Maumee River Watershed Sediment Management Strategy; Executive Committee **(Phase 1)** Status Report; Toledo Harbor Planning Group/USACE, Buffalo; 1993.

*[Phase 1 Planning Report of the Toledo Harbor Planning Group primarily addressing problems, needs, objectives, initial alternative considerations, and assessment/evaluation]*

1993. Toledo Harbor, Ohio; Long-Term Dredged Material Management Plan Within the Context of the Maumee River Watershed Sediment Management Strategy; Executive Committee **(Phase 2)** Status Report; Toledo Harbor Planning Group/USACE, Buffalo; 1993.

*[Phase 2 Planning Report of the Toledo Harbor Planning Group primarily addressing problems, needs, objectives, further alternative considerations, and assessment/evaluation/screening]*

1995. Toledo Harbor, Ohio; Long-Term Dredged Material Management Plan Within the Context of the Maumee River Watershed Sediment Management Strategy; Executive Committee **(Phase 3)** Report with Environmental Assessment; Toledo Harbor Planning Group/USACE, Buffalo; 1995.

*[Phase 3 Planning Report of the Toledo Harbor Planning Group primarily addressing problems, needs, objectives, further alternative considerations, and assessment/evaluation/screening. Pilot Studies.]*

\* Toledo Harbor, Ohio; Finding of No Significant Impact/Environmental Assessment; Long-Term Management Plan; **(Phase 3)** Report; Interim Plan; Toledo Harbor Planning Group/USACE, Buffalo; 1994/1995.

*[NEPA EA-FONSI for Toledo Harbor Planning Group/USACE, Buffalo Phase 3/Phase 4 planning activities and pilot studies]*

\* Toledo Harbor, Ohio; Finding of No Significant Impact/Environmental Assessment; Long-Term Management Plan; **(Phase 3)**; Beneficial Use of Dredged Material; Toledo Harbor Planning Group/USACE, Buffalo; 1994/1995.

*[NEPA EA-FONSI for Toledo Harbor Planning Group/USACE, Buffalo Phase 3/Phase 4 beneficial use of dredged material]*

1999. Toledo Harbor, Ohio; (DEFERRED); Report and Finding of No Significant Impact/Environmental Assessment; Navigation Channel Study (Extended Turning Basin); USACE, Buffalo; 1998/1999.

*[NEPA EA-FONSI for Navigation Channel Study (Extended Turning Basin)]*

2002. Toledo Harbor, Ohio; Long-Term Dredged Material Management Plan Within the Context of the Maumee River Watershed Sediment Management Strategy; Executive Committee **(Phase 4)** Report with Environmental Assessment; Toledo Harbor Planning Group/USACE, Buffalo; 2001/2002.

*[Phase 4 Planning Report of the Toledo Harbor Planning Group primarily addressing problems, needs, objectives, alternative considerations, and assessment/evaluation/selection. LTMP revised management includes: Watershed Best Management Practices, Dredging and Open Lake and Confined Disposal Facility (CDF) Disposal (with reference to the Great Lakes Dredged Material Testing and Evaluation Manual), Maximize use of Existing CDF Facilities including Island 18, CDF Consolidation Measures, Raise CDFs, Beneficial Use of Dredged Material, Monitoring]*

\* Toledo Harbor, Ohio; Finding of No Significant Impact/Environmental Assessment, Long-Term Management Plan; **(Phase 4)** Report; LTMP; Toledo Harbor Planning Group/ USACE, Buffalo; 2001/2002.

*[NEPA EA-FONSI for Toledo Harbor Planning Group/USACE, Buffalo Phase 4/Long-Term Management Plan (Revised Management Operations)]*

\* Long-Term Dredged Material Management Study **(Phase 4)** Report Appendices:

LTMP Appendix A - Economic Appendix

LTMP Appendix B – Open Lake Disposal Evaluation

LTMP Appendix C – Sediment Source Reduction

LTMP Appendix D – Management of Confined Disposal Facilities

LTMP Appendix E – Recycling and Beneficial Reuse

LTMP Appendix F – Expansion of Confined Disposal Facilities

LTMP Appendix G – Environmental Restoration (Woodtick Peninsula)

LTMP Appendix H - Development and Presentation of Landscape Architectural Schemes-Cell 1

LTMP Appendix I - Cost Estimates for CDF Horizontal/Vertical Expansion

2002. Toledo Harbor, Ohio; Record of Environmental Considerations (REC)/Environmental Assessment, Long-Term Management Plan, **(Phase 4)** Report; Resumed Utilization of Island 18; Toledo Harbor Planning Group/USACE, Buffalo; 2002.

*[NEPA REC/EA for Resumed Utilization of Island 18. Supplements (additional specific information) Toledo Harbor Planning Group/USACE, Buffalo Phase 4/Long-Term Management Plan/Reports and previous 1990 NEPA EA-FONSI for Resumed Utilization of Island 18]*

### **Recent O&M (Operations and Maintenance) Updates**

2003. Toledo Harbor, Ohio; O&M; Public Notice.

*[Public Notice for proposed/recent USACE, Buffalo O&M activities]*

2003. Toledo Harbor, Ohio; O&M; Clean Water Act Application for State 401 Certification.

*[Clean Water Act Application for State 401 Certification for proposed/recent USACE, Buffalo O&M activities]/[Received State 401 Certification]*

2003. Toledo Harbor, Ohio; O&M; State of Ohio - Coastal Program - Consistency Determination.

*[Coastal Program - Consistency Determination for proposed/recent USACE, Buffalo O&M activities][Received Consistency Determination Concurrence]*
